★ Year End Awards

Peoria Motorcycle Club will host a Year End Awards Banquet, to recognize every rider's accomplishments.

To be recognized as a Series Competitor, and to be eligible for Series Awards, racers must run a minimum of one event with each participating club, per class. With five host clubs that means racing at a **minimum** of five different tracks.

Participating Racers must also display the Series Sponsor decal on their race bike at the events they are running.

★ Contingency Awards

7-Time AMA Pro Grand National Champion, a.k.a. the "Prince of Peoria" Chris Carr, is providing two sets of GoldenTyre Dirt Track tires. Series Winners in the 250 Amateur and 450 Amateur classes will each receive one set of tires.

Courtesy of TRI-R Distributing, Spectro Oil made a generous cash donation, and is providing \$1,000 in retail value of oil and lubricant products for awards.

Series officials are open to other offers if you would like to support the series. Contact any of the clubs involved in the series to express your interest.
